

PT Astra Agro Lestari Tbk

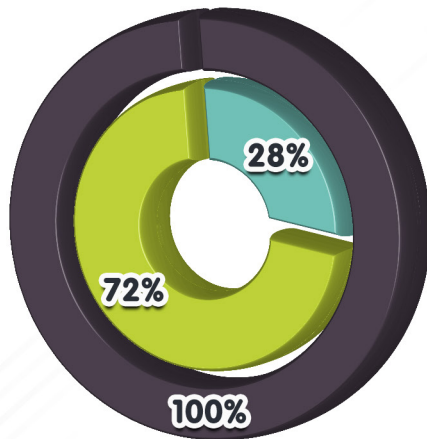

PROGRESS REPORT ON TRACEABILITY

January - December 2020

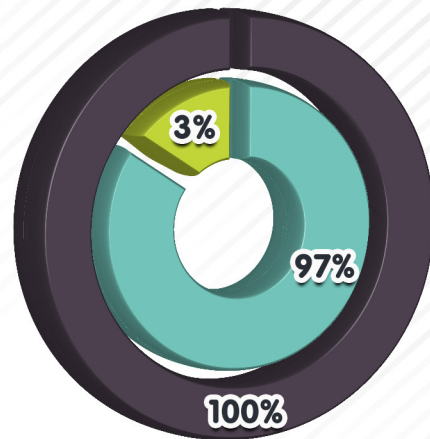

TRACEABILITY TO MILL

We continue to maintain 100% traceability to mill for the period of January - December 2020. Currently, Astra Agro has 118 suppliers (22 internal and 96 external) in its supply chain.

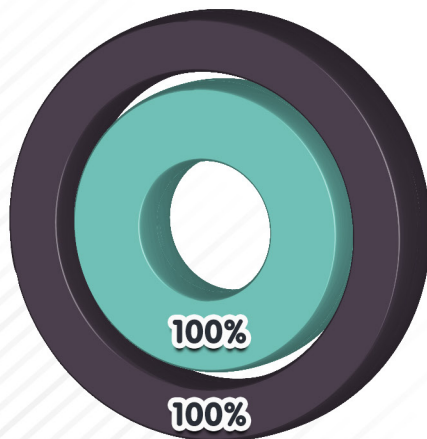

Kreasijaya Adhikarya Refinery (CPO)

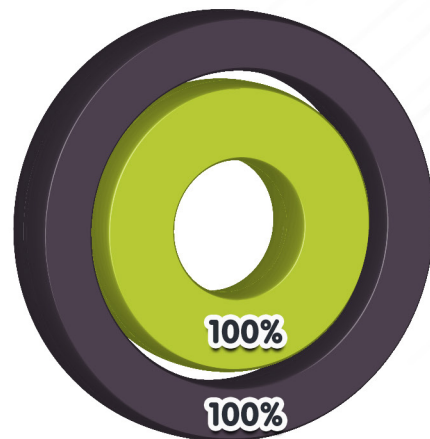

Tanjung Sarana Lestari Refinery (CPO)

Tanjung Bina Lestari Refinery (CPO)

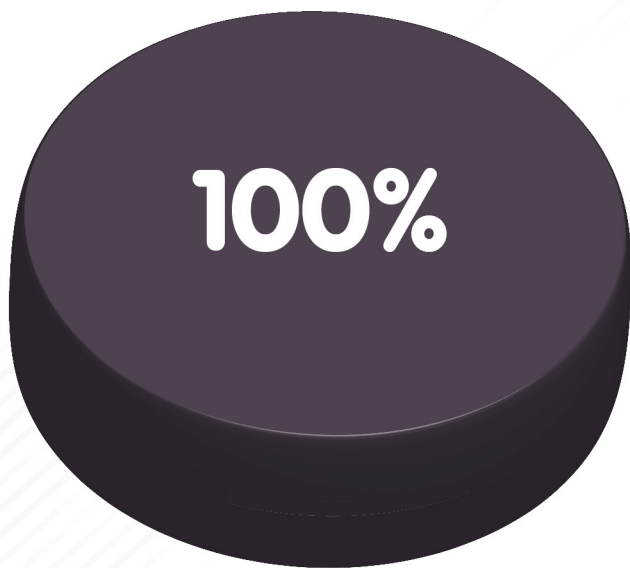

Trading Suppliers (CPO)

-  Third Party Mills
-  Owned Mills
-  % Traceability

TRACEABILITY TO PLANTATION

As of December 2020, we continue to maintain 100% traceability to plantation at DO Holder level. We have also seen an increase in traceability at the plantation level for the pilot projects in the nine priority mills in Riau, Aceh, and West Sulawesi.
