Progress Update on Independent Third Party Verification

Econusantara is pleased to publish the eleventh bi-weekly update on the independent verification of allegations against three of Astra Agro Lestari's subsidiaries, PT Agro Nusa Abadi, PT Mamuang, and PT Lestari Tani Teladan.

There is no additional information of substance to report at this time, and we encourage all parties to be patient while the team continues to work on checking the very large quantity of evidence and recorded data. As previously stated, we value accuracy over haste.

Meanwhile, we continue to welcome any communities and any interested members of civil society to come forward if they have issues they wish to raise with us.
